

## Hayel Rahkeen "Keen"

Breed:	Arabian	<i>Hayel Orion x Showam Siri</i>
Sex:	Gelding	
Date of Birth:	6/3/1985	
Color / Markings:	Flea bitten gray Sock on right hind & left front	
Health History:	Arthritic Hocks Grade 3 Heart Murmur (Not a concern)	
Health Care:	Scratches (dermatitis on lower legs)	

Keen is a retired dressage horse. Very sweet, likes to have his gums played with. He has scratches that come and go on his back legs, and arthritic hocks. He is sensitive to harsh grooming tools such as the shedding blade. He has excellent ground manners. Due to his arthritis, riding should be limited to occasional short rides by light to moderate weight riders.

## Shadowfax Vendavel "Ben"

Breed:	Andalusian	Dressage, Vizarra I (USA)
Sex:	Gelding	
Date of Birth:	6/2/1995	
Color / Markings:	Gray	
Health History:	Adapted to Rabies Vaccine	
Health Care:	High risk with any vaccine Use Dexamethasone with any vaccine	

Ben is a riding horse (dressage/hunt seat) and has recently been worked in both the indoor and outdoor arenas and lightly trail ridden. He can be spooky, but is calm when worked regularly. He is sound and is trained to jump. He ties, but does not cross tie and does not like baths, although he will stand for them outside. Ben does tricks such as shaking and hugging. He is not always well behaved for shots.

**Atrasado**  
**"Spider Legs"**

Breed: Andalusian *Superior III x Aneja II*  
Sex: Stallion  
Date of Birth: 5/22/1989  
Color / Markings: Bay  
Heel caps on hind  
Health History: Has bowed tendon in left front  
Artificial hocks  
Health Care: -

Spider is a trained dressage horse. He is sound. He is a big chicken and spooky when not worked regularly but very well behaved. He has never been successfully bred. He is now too old to be safely gelded. Spider does not act like the typical stallion, as he has very good ground manners and is quite easy to work with.

**Shadowfax Damien**  
**"Damien"**

Breed: Andalusian / Morgan Cross

Sex: Gelding

Date of Birth: 5/30/1992

Color / Markings: Flea bitten grey

Health History: Laminitis

Health Care: 100 mg Isoxalone - AM & PM

Damien was once broken to ride, but in more recent years he has only been driven. He is very sweet and calm. When being worked he flings his head around. He has a big personality and loves attention. He has a history of laminitis but is 100% sound now.

## Shadowfax Miracle "Miracle"

Breed: Andalusian / Morgan Cross *Rohan Eleazar I*  
 Sex: Gelding  
 Date of Birth: 6/4/1992  
 Color / Markings: Black  
 Star, socks on both hind feet  
 Health History: -  
 Health Care: -

Miracle is a green brok riding horse. He walk and trots nicely in the ring but needs work at the canter. He also trail rides. He has his very rare moments when he can become quite wild and dangerous to be around. He suffers from allergies and has spells in the summer time when he starts coughing. To treat this we use Dexamethasone and if severe enough Banamine. He needs to be in a barn with good ventilation, and should be fed good quality hay. He has a hitch in his rear end that does not allow him to flex his left rear leg as much as he can the right.

**Shadowfax Maximiliano**  
**"Pete"**

Breed: Andalusian *Andaluzino x Fervorosa*  
Sex: Gelding  
Date of Birth: 4/22/1996  
Color / Markings: Gray  
Health History: History of colic  
History of scratches (dermatitis on lower legs)  
Health Care: Watch for scratches

Pete is green broke to ride and drive, but has not been driven in a few years. When being ridden sometimes bucks when asked to canter. He is lazy and "bombproof". He is bull-headed and needs a firm handler. He has had scratches in the past and also has coliced. He was on soaked hay for a while after he coliced.

**Shadowfax Fernando**  
**"Nando"**

Breed: Andalusian *Piñon Pandora III*  
Sex: Gelding  
Date of Birth: 4/6/1995  
Color / Markings: Gray  
Health History: -  
Health Care: -

Nando was green broke to ride and drive many years ago but has not been worked with in either discipline for many years. He lunges both on a line and in the round pen very well, knows all of the commands walk, trot, canter, and whoa. He also long lines, and he has beautiful gaits. He listens well, but is flighty and very unpredictable. For safety reasons, he should not be ridden or driven except by someone with extensive experience and even more patience. He cross ties and stands cross tied in the wash stall for baths.

**TDR Shadowfax George**  
**"George"**

Breed: Morgan *Rohan Elessar x Meadowood*  
 Sex: Gelding  
 Date of Birth: 5/16/1998  
 Color / Markings: Bay  
 Star, sock on left hind  
 Health History: -  
 Health Care: History of scratches (dermatitis on lower legs)

George was never broke to ride, but is an excellent driving horse. He drives on the roads, trails, in the ring. He has been shown successfully at training level at several combined driving events. He has a really nice extended trot and is trained very well. He does not currently have scratches, but has in the past. He crossties, goes in the wash stall, and stands for baths very well. He can be a brat when it comes to clipping his back legs (most likely due to the scratches) and when having his sheath cleaned.

**Pico**  
**"Pico"**

Breed: Andalusian  
Sex: Gelding  
Date of Birth: 6/13/1992  
Color / Markings: Gray  
Health History: Glaucoma on left eye (not a concern)  
Health Care: -

Pico is a trained dressage horse. He demonstrates good skill at lateral work, and can even do a Spanish Walk. He goes on the bit nicely with a very light contact on his mouth and responds well to weight shifting. He is very sensitive. He always acts a bit nervous when tacking him up and when first getting on, but settles right down. He ties, but does not cross tie. He is very well behaved in the indoor and outdoor rings, and has enjoyed occasional trail rides. He loves attention and likes to have his lips scratched.

**TDR Shadowfax Tristen**  
**"Tristen"**

Breed: Morgan  
 Sex: Gelding  
 Date of Birth: 1990  
 Color / Markings: Black  
 Star  
 Health History: Arthritis in hocks  
 Loose stools (not a concern)  
 Health Care: Scratches (dermatitis on lower legs)  
 Allergies to his eyes - treated with Terramycin ointment

Tristen is trained to ride and drive, but prefers riding over driving. His hocks are arthritic, so he should not be ridden hard. He goes well in the ring, does the trails, and has been driven on a road end road with very light traffic. He is very mellow and lovable, another "bombproof" horse. Nothing ever seems to bother him. He has allergies and his eyes get swollen sometimes. He is very good when eye ointment is applied.

**TDR Midnight Son  
"Sonny"**

Breed: Morgan *Royal Flessar x Mancu* *Society*  
 Sex: Gelding  
 Date of Birth: 4/19/1990  
 Color / Markings: Black  
 Very small stall socks on both hind feet  
 Health History: History of laminitis  
 Health Care: -

Sonny is a wonderful driving horse. He is getting older and retired from showing, but can still do light driving work. He was successfully shown at many combined driving events in his younger days. He goes well in the ring, on the trails, and on the road. Sonny is sound but has had laminitis in the past, so his owner should be someone with experience with managing laminitis. He has very good ground manners and no personality issues.

**TDR Shadowfax Sir Prize**  
**"Prize"**

Breed: Morgan *Rohan Elessar x Mancunian*  
 Sex: Gelding  
 Date of Birth: 5/1/1991  
 Color / Markings: Black  
 Sock on left hind  
 Health History: Laminitis  
 Health Care: -

**ADOPTED  
 Placed in an Excellent Home**

Prize is a retired driving horse. He has had laminitis. His owner should have experience managing laminitis. Recently he has been off walking outside. He could be driven lightly when sound. Prize is a good driving horse in the ring (indoor and outdoor), and he also drives on trails and roads. He has only been driven a couple times in the last year due to his laminitis, so he is out of shape and practice. He has very good ground manners and no personality issues.

**TDR Shadowfax Ginny**  
**"Ginny"**

Breed: Morgan *Holton's John Morgan x Meadowcroft*  
 Sex: Mare  
 Date of Birth: 2/6/1989  
 Color / Markings: Liver Chestnut  
 Stripe  
 Health History: Allergies to rocks  
 Health Care: Scratches (dermatitis on lower legs)

Ginny is broke to ride (dressage) and drive, but is retired from driving. She can still be ridden lightly. She is trained to do lateral work and is VERY sensitive to weight in the saddle because of this. She has been ridden in the indoor and outdoor arenas recently and in the past has gone on trails. Ginny is very sweet, and nothing ever seems to bother her. She loves attention.

**Damita**  
**"Damita"**

Breed: Andalusian  
Sex: Mare  
Date of Birth: 3/31/1990  
Color / Markings: White  
Scar on left side  
Health History: History of colic (2 surgeries)  
Small incisions / hernias on belly  
Scar on left side from old fence injury  
Health Care: 10 minute hand walk every afternoon

Damita is a retired riding horse. Due to her 2 colic surgeries and several more cases of colic Tiny retired her and did not want to take the risk of riding her. She is at a very high risk of colicing again and needs conscientious care, as she probably would not survive another surgery. Damita needs to be groomed frequently, even if she looks clean or she will get spots of rain rot.

**TDR Shadowfax Danika**  
**"Dani"**

Breed:	Morgan	<i>Rohan Elessar x Meadowcroft</i>
Sex:	Mare	
Date of Birth:	4/20/1993	
Color / Markings:	Bay	
Health History:	-	
Health Care:	-	

Dani is a good driving horse. She does well with driving and loves to go very fast on the trails. She has been driven on a dead end road with very little traffic. She can be a little spooky, but nothing major. She does not like needles or being sprayed with anything in a spray bottle (fly spray, show sheen). She needs a patient owner. She cross ties, but gets a little jittery if you try to spray her when she is on them. She has had scratches, but does not have them currently.

**TDR Shadowfax Adorabelle  
"Belle"**

Breed:	Morgan	Rob... Flessar x Meadowood Ginger
Sex:	Mare	
Date of Birth:	4/24/1996	
Color / Markings:	Bay, star	
Health History:	-	
Health Care:	Scratches (dermatitis on lower legs) Plaque in Ears	

Belle is a good pleasure driving horse in the ring (both indoor and outdoor). She does not do the roads nor the trails. She was never broke to ride. Belle is quite sensitive and needs to find a home with someone who is very knowledgeable in driving, and who is very patient. She has a "witchy" attitude. (She has her ears pinned most of the time and sometimes threatens to bite.) She cross ties and goes in the wash stall. She does not like to have her back legs clipped, due to her severe scratches, but it can be done with lots of patience. Belle is a very sweet horse once you get to know her.

## Shadowfax Argentina "Tina"

Breed:	Andalusian	<i>Argentino x Pandora III</i>
Sex:	Mare	
Date of Birth:	5/26/1992	
Color / Markings:	Gray	
Health History:	Lameness issues	
Health Care:	-	

Tina is a riding horse, trained in dressage, but should be limited to light riding. She is sound most of the time, but is subject to intermittent and random lameness for days at a time for unknown reasons. She was trail ridden in the past, and has been recently worked lightly in the ring.
